

*To know Christ, make Him known,
and help others do the same*

March 19, 2024

Dear Friend,

Thank you for your prayers and financial support of Jim and Beth Luebe. Today, people faithfully walk with Jesus and make disciples because of the Luebes.

What a lasting Navigator legacy!

In Matthew 9, Jesus declares, "The harvest is plentiful, but the workers are few." Your generous giving helps send workers with the light of Christ into dark and broken places.

Your commitment to the Great Commission through ministry partnership with The Navigators and the work of the Luebes has profoundly impacted the lives of many and reflects your eternal investment in the Kingdom!

As the Luebes conclude their time on our staff and begin a new chapter in disciplinemaking ministry, I extend my heartfelt gratitude for your incredible support over the years and urge your continued support of them.

Your generosity continues to fuel the vital work of disciplinemaking through personal, relational, transformational, and spiritual engagement.

Thank you! May God bless you as you have greatly blessed The Navigators!

With gratitude,

Marvin Campbell
U.S. President
