WELL, I MADE A DIFFERENCE FOR THAT ONE!

A young boy was walking along a beach upon which thousands of starfish had been washed up during a terrible storm. When he came to each starfish, he would pick it up, and throw it back into the ocean. He had been doing this for some time when a man approached him and said, "Why are you doing this? Look at this beach! You can't save all these starfish. You can't begin to make a difference!"

*The young boy seemed crushed, suddenly deflated. But after a few moments, he bent down, picked up another starfish, and hurled it as far as he could into the ocean. Then he looked up at the man and replied, **"Well, I made a difference for that one!"***

The old man looked at the boy and thought about what he had done and said. Inspired, he joined the young boy: throwing starfish back into the sea. Soon others joined, and all the starfish were saved.

This story stirs our souls for a number of reasons: **1) Who is "THAT ONE" for whom we made a difference? 2) Who is joining us in making a difference to teenagers: YOU for one! 3) How can we enlist more people to make a difference in the lives of kids? 4) How can teenagers more effectively make a difference?**

Our current assignment with the High School Ministry of Cru is helping launch our movement in new schools in the next 6 years: in fact, **300 X 30** is the goal. That is, to see 300 new high school Cru movements by 2030!

We are living in a time of great fruitfulness among teenagers. About 40% of students who hear the gospel are indicating decisions to trust Jesus Christ for salvation! Students themselves are often the evangelists!
