

UNDER HIS WINGS™

PSALM 17:8

DAVID KOBlish MUSIC MINISTRY

Dear Friends,

We thank God each day for His faithfulness. I am preparing to sing and speak at a funeral of an 8 month old boy who just died. God will bring hope to all who attend- purely through God's Word. His Word is powerful and piercing. It is such joy to give the living Word of God to so many. We will never know exactly whom God will "touch". A few weeks ago a lady told me how she surrendered her life to our Lord way back in 1978 in Omaha, NE. Thank you for being faithful in bringing this **message of hope to people!**

I've been ministering two different times in Northern California. God has opened a lot of doors in that area through the years. I sang and spoke on Sunday morning (pictured here) near Redlands, CA. John

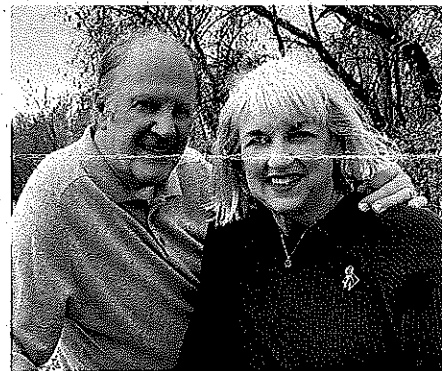

and Delores M. were deeply moved that day to keep their troubled marriage together. They

had been quietly dealing with unfaithfulness and all the things that go along with it! John couldn't stop crying as we talked through God's Word and prayed together. John and Delores were totally broken. Pictured here is one of the pastors who will help nurture them back to a triumphant marriage. God is able!!

Also, that morning Al gave his life to Christ as I gave a public invitation to come to know our Lord. The church hadn't had a public

invitation in years. I've heard from people since I have been there, and they rejoice over the power of God working in the church. That evening I traveled to Rocklin, CA where 7 year old Katie Ann gave her life to our Lord Jesus. Praise God!

Linda has continually been an integral part of this ministry. I have traveled extensively through these many years and she has faithfully held everything together at home. Linda quietly and strongly has always been there with the same conviction of calling to the ministry as I have. We just celebrated our

55th wedding anniversary!! If God tarries, we will carry on for many more years!! **Thank you so much for praying and giving.** I am deeply grateful for you so I can continue telling this good news— together. Please pray- as I have a busy schedule.

In His Great Love and Faithfulness, David Koblish

Redeemer Family, It's a joy to pray for you each day. This church has been a blessing to us for many years. Thank you! Love, David
