GREAT NEWS: FastBreaks & Belgium!

The **FastBreaks** you prayed for were attended by over 600 high school students at the four conferences! Thanks for your investment of time asking the Lord Jesus to meet with these teenagers and help them choose to walk with Him and learn to communicate the gospel to their friends. We're trusting God to involve them in the renewed spiritual awakening that is sweeping the country! Thousands of college students are choosing to trust Christ for salvation. *We are praying that He will extend this awakening to teenagers!*

We've been invited to join the spring Cru High School mission team going to Antwerp, BELGIUM!

Belgium
Antwerp

We plan to help the team launch the High School Ministry of Cru (known as **SHINE** in Europe). Our primary emphasis will be prayer cover & encouragers for the mission! We'll initiate conversations with seekers & help believing Belgian kids understand how to walk in the power of the Holy Spirit and how to share the gospel clearly. We're thrilled to be part of this pioneering mission in a very spiritually needy country.

Please prayerfully trust God with us that He will bless us with the funds & prayer cover as we step out in faith to go to Belgium! We would be honored if you will consider giving a special gift to help us **GO!**

We both continue to work on our "regular assignments:" Joy in Staff Care & Tom in Field Missions, especially the **300X30** plan (300 Cru High School movements by 2030) and partnerships with other youth ministries. We're now in spring break Launch Weeks: teams of college students experiencing student ministry with us!

PRAYER REQUESTS

- **Praise God** for the spiritual awakening sweeping college campuses!
- **Pray** that teenagers will be impacted with the same spiritual awakening.
- **Praise God** for over 600 teenagers who attended **FastBreak** conferences learning to share Christ.
- **Praise God** for the fruit we expect as part of the Belgium global mission team.
- **Pray** that the Lord will supply the prayer cover and finances we need for a successful mission!
- **Pray** for the **300 X 30 Launch Weeks** training college students to start high school movements in their college cities and catch the vision of working full-time with Cru!

Thank you for choosing to partner with us in ministry by your prayer and financial support as we help reach teenagers for Jesus Christ – in the USA and globally! ***We appreciate you!***
